Dear Commissioners:

Flathead County continues to make its Juvenile Detention Center available to house juveniles from other Counties on a space-available basis. We also continue to offer this service on the basis of the terms set forth in our letter of May 3, 2004. The exception to the terms in that letter is *that for the remainder of the current fiscal year, we will offer the service for a daily rate of \$175.00 rather than the \$225.00 that we have charged for several years.*

If you have any questions, please don't hesitate to contact Laurie Rebuck, 800 South Main, Kalispell, MT 59901, telephone 406/758-5919, lrebuck@flathead.mt.gov.

Sincerely,

OFFICE OF THE COUNTY ATTORNEY
Flathead County, Montana
